

# HEARTS AROUND HARTZ

## SMALL TOWN, BIG HEARTS

HEART #17

ARTIST: ROB CORDER

### Artist's Inspiration:

"I've lived in Danville for over 20 years. It's been a lovely, nature-filled experience. The constant visuals over the years have been Mt. Diablo, the rolling golden hills, hawks and the oak trees. I hope this idealized view from an old-fashioned yard signals the same feeling of peace and tranquility that has brought so much pleasure to me and my family."
